IT'S ALL RELATIVE

Whilst whiling away the hours here at CN, we couldn't help noticing the similarities between some of toon stars. "Say it ain't so!" we cried, but there's no denying that Professor Utonium, Samurai Jack and Johnny Bravo could all be related. Oh brother! Or is that Mamma?!

NUMBUH TWO'S GIZMO CORNER

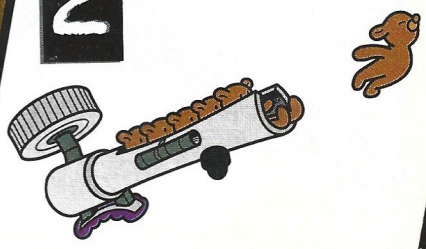
They've got a gadget for every occasion and the moves to match. But which are their top 3 weapons? Head of 2x4 technology, Hoagie P. Gilligan (aka Numbuh 2) dropped by to let us know his faves. After all, they are HIS inventions!

3

S.C.A.M.P.P.
(Soup Can And Magnified Photon Phaser)

"This beauty is favoured by Abby (Numbuh 5) and fires a green photon ray. When I first made one, it had to be plugged into a power source, but with a few modifications, it's now completely portable."

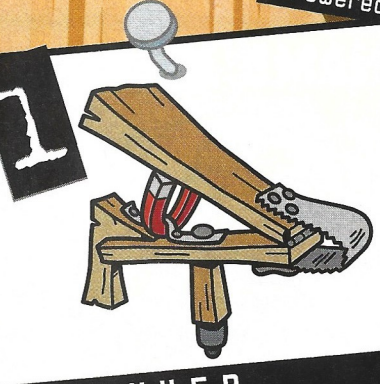
2



T.H.U.M.P.E.R.
(Teddy Hurling Ultra Microwave Powered Ejection Rifle)

"Kuki Sanban (Numbuh 3) LOVES this weapon. Maybe it's something to do wth the cuddly toys it can fire?! Or the fact that she used it to defeat the Terrible Tutor in operation N.O.-P.O.W.U.H.

1



S.P.L.A.N.K.E.R.
(Solid Pine Loaded Artillery Nicely Kicks Enemy Rear)

"Ah, now here we have one of my first creations, and so it has to be my number one! The S.P.L.A.N.K.E.R. uses a large magnet to pack a powerful blow."

FOR SALE

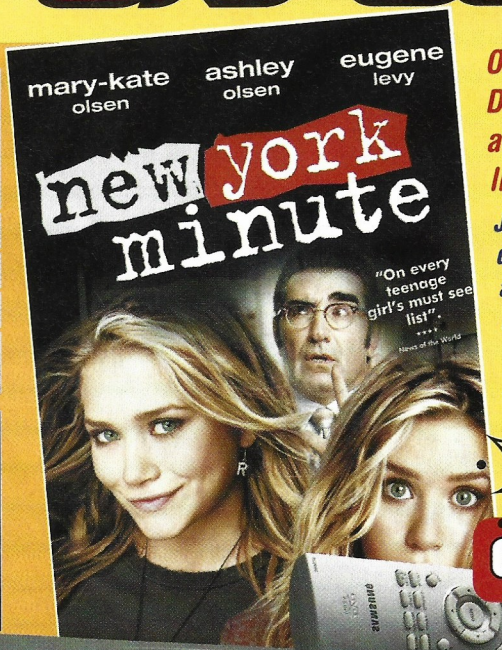
PERFECT TIMING

COMPETITION



Out to buy and rent from 14th February from Warner Home Video and Dualstar Entertainment Group Inc., New York Minute stars Mary-Kate and Ashley in a tense tale of shady dealings amidst the glittering lights of the music industry.

Jane Ryan (Ashley Olsen) and rock rebel Roxy (Mary-Kate Olsen), couldn't be more different, with Jane destined for Oxford University, and Roxy reaching for fame as a performing diva, but an unfortunate sequence of events places them both in harm's way. Throw in a couple of starry-eyed hunks, and, Voila! You've got a recipe for a great movie.

WIN

So to celebrate its release, we're giving away a copy of New York Minute and a DVD player to one lucky reader, plus 10 runners-up will each receive a DVD copy. To enter, answer this question:

Q *What is the name of Mary-Kate's character in New York Minute?*

If you know the answer, fill in the coupon on page 24 and send to our Panini address shown.

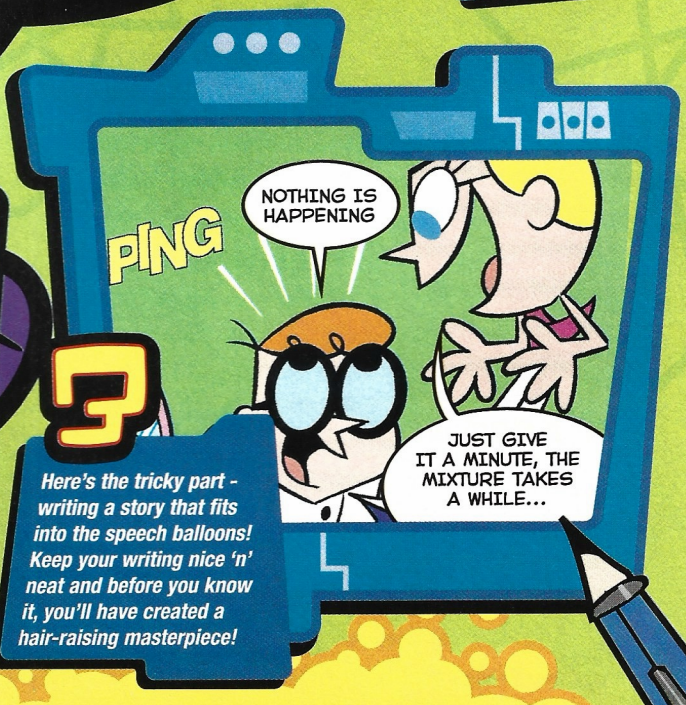
CREATE A TOON

Here's your chance to get creative and make your own Dexter's Laboratory comic strip! But before you get started, here's how it's done...

1 Take a fine black pen and trace over all the lines to give your comic strip some presence. This is called 'inking'. If you want to be really thorough, the characters should have a slightly thicker line than the background. This makes them stand out from their surroundings.

2 Add some colour to your strip using lighter tones for the background. This makes sure Dexter isn't lost in a sea of colour! If you're feeling really adventurous, you could scan the page onto your computer and colour it digitally. This is how proffessional colourists usually work!



3 Here's the tricky part - writing a story that fits into the speech balloons! Keep your writing nice 'n' neat and before you know it, you'll have created a hair-raising masterpiece!

HERE'S YOUR CHANCE TO GET CREATIVE AND MAKE YOUR OWN DEXTER'S LABORATORY COMIC STRIP! BUT BEFORE YOU GET STARTED, HERE'S HOW IT'S DONE...SEND YOUR FINISHED CREATIONS TO US, AND WE'LL PRINT THE BEST ONE RIGHT HERE IN THE MAGAZINE!
